

Thank You

From our initial conversation to our hiring of a new Chief Development Officer, Jim Evans masterfully led a search which was entirely aligned with The de Paul School's vision for fund development. Jim's search leadership revealed a keen understanding of our school's distinct culture, our comprehensive development plan, and our opportunities for institutional growth. We were impressed with the thoroughness and the expeditious time frame of Jim's efforts. We are grateful.

DON THOMPSON
PRESIDENT, EPIC INSURANCE

Heather was instrumental in making our auction a success. She brought fresh ideas to the table on every aspect of the event and a lot of energy and enthusiasm. Her professionalism and efficiency helped to make a stressful pre-event period flow smoothly and effectively. I'm so glad that we had Heather on board and would love to work with her in the future!
